

“This funding has made a huge improvement in terms of convenience and morale to the users of the astro pitch and has vastly improved the way the pitch looks.”

Jackie Hunter
Business Manager

Caedmon College Whitby

Project:

Astro community pitch improvement

Subject:

Health, well-being and sports
Facilities and building improvements

Location:

Whitby, North Yorkshire

Date of award:

January 2018

Overview:

£5,000 was awarded to improve the astro pitch facilities for community users, including a replacement dugout and purpose-built baggage and sports equipment storage facilities.

Local sports clubs and community users of the astro pitch facilities have benefitted from the funding, including Caedmon's students and the primary school children from the surrounding areas.
