## Church of St Hilda of Whitby, Grangetown

### Project:

Re-wiring of St Hilda’s Church Hall

### Subject:

Facilities and building improvements

### Location:

Grangetown, Redcar and Cleveland

### Overview:

The Church of St Hilda of Whitby was awarded £5,000 to fund the re-wiring of its church hall to comply with current health and safety regulations.

The electric in the hall is used by many local groups to the community of Grangetown, including a food bank, when the church cooks for members of its community; children’s holiday clubs and parties; a weekly local line dancing group; Royal Sapphires Jazz Band; and the monthly community Sunday lunch.
