## Dormanstown Community Sports & Social Group

### Project:

Toilet, tea room and storage

### Subject:

Facilities and building improvements

### Location:

Dormanstown, Redcar and Cleveland

### Overview:

Dormanstown Community Sports & Social Club was awarded £5,000, which has been used to build a toilet block with separate facilities for males and females, and to convert the existing toilet facilities into nappy changing toilet and breast feeding area.

The Community Centre is an integral part of the Dormanstown community, an area of high deprivation. The centre is home to many groups for people of all ages, including the five teams which make up the Dormanstown Junior Football Club, mother and toddler group, youth group, homework club, lunch club and arthritis carers group, all of which will reap the benefits of the new facilities.
