

“The funding will be used to make our student’s dream come true; this will be something that will be enjoyed by many, many children for many years ahead.”

Miss Claire Shipley
Lockwood Primary School

New Friends of Lockwood PTA

Project:

Outside gym for the children of Lockwood Primary School

Subject:

Education, learning and skills improvement
Health, wellbeing and sports

Location:

Boosbeck, Saltburn-by-the-Sea, Redcar and Cleveland

Overview:

Lockwood Primary School were awarded a grant of £5,000 to create an outside gym for the students, who have previously had very little access to such equipment. Obesity levels in children at the school have historically been higher than most other primary schools across England.

The outdoor gym is now accessible to all children at the school, who come from a range of backgrounds, and is used during breaks and lunchtime as well as being integrated into various PE lessons. In the longer term, the gym will improve students’ fitness levels and help to educate them on the importance of fitness and a healthy lifestyle, which will help to reduce obesity figures within the school.
