

## **Capital grants for sports groups and clubs**

### **Invitations for expressions of interest**

1. The Foundation invites sports groups and clubs to submit an expression of interest in advance of a potential application for a capital grant of between £20,000 and £50,000 to create or improve sports facilities that will enable the group or club to increase the participation of local people in amateur sport. The Foundation has allocated a budget of £200,000 for this grants programme.
2. Applicants must:
  - 2.1. be either a registered charity or a community amateur sports club (CASC) registered with HM Revenue & Customs
  - 2.2. be based and operate within Redcar and Cleveland Borough, Scarborough Borough, or the North York Moors National Park
  - 2.3. have a realistic plan for a capital project to increase the participation of local people in amateur sport that can be completed no later than December 2021
  - 2.4. already have, or have a realistic plan to obtain, a significant form of match funding or contribution to the project
3. Maximum of one expression of interest per group or club.
4. The closing date for submission of expressions of interest is 31 July 2019. The Foundation will then invite a number of selected organisations to submit a full application.
