

“This investment will provide particularly valuable to the youth who live in the area who have little option in the way of engagement and sport in our small hamlet.”

Gareth Jones

Fryup Cricket Club

Project:

Pavilion completion, roller repairs and new changing room door

Subject:

Facilities and building improvements

Location:

Whitby, North Yorkshire

Overview:

The Fryup Cricket Club caters for 30 members who are aged between 12 and 45, and greatly encourages youth development.

The club was awarded £1,000 to complete the veranda to its new pavilion, the servicing and maintenance of the club's roller and cutting equipment, which is vital to ensure a good quality pitch, and the purchase of a new changing room door.
