

“Facilities like the public toilets are a crucial – without them many places can become less attractive to visitors, which would be to the detriment of the village economy.”

G Gibbons

Lealholm Toilet Trust

Project:

Lealholm community toilet refurbishment

Subject:

Facilities and building improvements

Location:

Lealholm, Glaisdale, North Yorkshire

Overview:

Lealholm Toilet Trust was awarded £3,000 to refurbish village toilets, This has given a more pleasant experience for visitors and is more environmentally friendly for the village – with energy efficient lighting, water-saving devices and energy efficient hand drying facilities.

This refurbishment has benefitted local people and the village businesses which rely on tourists visiting the village to survive.
