

Newby and Scalby Parish Council

Walk & Talk initiative launched with help from Sirius Minerals Foundation funding.

Sirius Minerals Foundation donated £4,982 to help Newby & Scalby Parish Council launch their Walk & Talk Campaign, which will aim to prevent isolation as a result of the Covid-19 pandemic.

“We’ve found that more and more people are struggling to get back out into the community after the Covid-19 pandemic, so the plan is to attract and train volunteers to help people get back out, whether that be going for a walk or going shopping,” explained Helen King, Head of Hub & Community Support Services with the Parish Council.

“We’re so grateful to the Sirius Minerals Foundation for their support, without this funding we wouldn’t be able to get out and help so many people.”
